Title:

REMOVAL OF FRONT WHEEL OPENING EXTENSION PAD PROTECTIVE COVERS

Models:

'07 LS 460

PRE-DELIVERY SERVICE
PD074-06

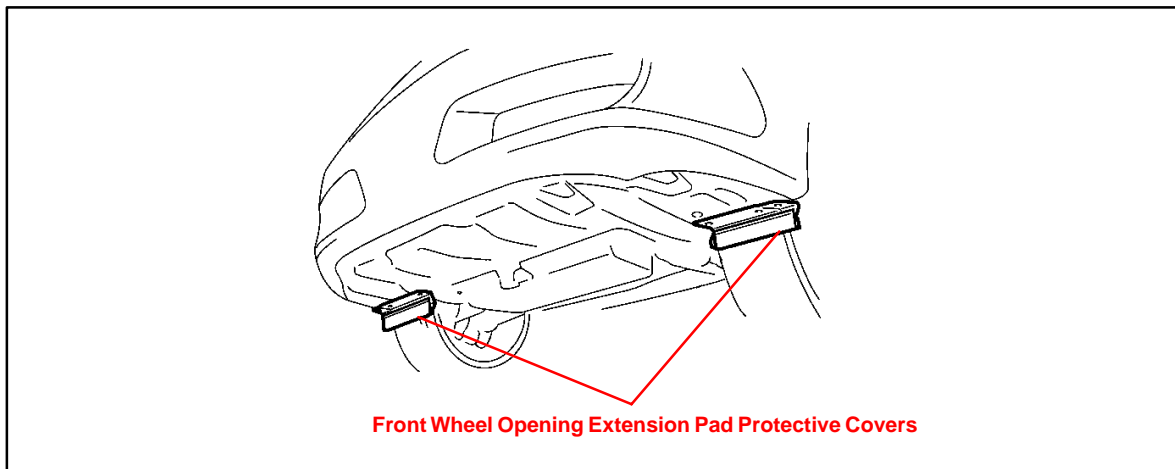

Introduction The purpose of this bulletin is to advise dealers to remove the front wheel opening extension pad covers during Pre-Delivery Service of 2007 model year LS 460 vehicles.

Protective covers are installed on the front wheel opening extension pads to prevent damage during transit.

- Applicable Vehicles**
- 2007 model year **LS 460** vehicles.

Removal Procedure Remove the protective covers from the front wheel opening extension pads.

NOTE:
Remove the covers completely. Do NOT leave any tape residue.
